Company Description:	<p>This company is a large importer, agent, wholesaler, retailer and exporter of food, beverages and FMCG products. In 2009, the company split, for administrative purposes, into two companies: (1) New West Zone, which currently operates 33 hypermarkets and supermarkets focusing on ethnic, mostly Asian expatriates' requirements, and (2) West Zone Fresh, which operates 22 hypermarkets and supermarkets catering to the needs of Western expatriates. The total that this group now operates is 55 which is a far cry from the four supermarkets that it operated ten years ago. In addition, New West Zone is planning to acquire 15 new supermarkets and West Zone Fresh is planning to acquire an additional 10 supermarkets in the next couple of years. The group reports that it receives over 40 million shoppers annually in its supermarkets and hypermarkets. It has recently acquired a state of the art storage facility of 200,000 sq. ft. in the Dubai Industrial City, for ambient, chilled and frozen product. The group depends on imports for over 70 percent of its retail sales. It imports a wide variety of grocery products, such as canned and dry food products, juices, breakfast cereals, pasta products, prepared meals and sauces from the United States through consolidators. It also imports a wide variety of ethnic foods from the Philippines, Vietnam, Malaysia, India, China and others for their Asian expatriate customers. About 95 percent of the Group's imports are destined to the retail sector and 5 percent are destined to the foodservice sector.</p>
