The company imports frozen shrimps from India, Vietnam and China; frozen squid tubes and crab sticks from China; frozen crab meat from Indonesia and fish fillet from Vietnam and Tanzania. The company also purchases sliced whole and cut salmon; lobsters whole and tails as well as mussels locally. About 75 percent of the company's products are destined to the foodservice sector, 15 percent to the retail sector and 10 percent re-exported mostly to Saudi Arabia. In addition to its offices in the UAE, the company also maintains branches in Jeddah and Dammam, Saudi Arabia. The company is interested in importing scallops and cod fillet from the United States, if their prices are competitive.
